

## Canvas How-To Articles (Vendor Guides)

Instructure frequently pushes updates to Canvas and revise their help articles to reflect these changes. As such, we rely on their updated articles to ensure that our users view the most current help information possible. Below is a list of common articles from the Instructure Website. Please use these guides if you have any questions.

For up to date information on bug fixes, changes, and features, please check out the [Canvas Release Notes](#).
